Evolution of Roles & Talent Management Part I:

What Talent Do We Need from MA Colleagues?

In-Depth Series

Evolution of Roles & Talent Management Webinar Series

Part I: What talent do we need in medical?

Part II: How do we recruit talent (November 1, 2022)

Part III: How do we retain talent (January 31, 2023)

Part IV: How do we develop and evolve talent (March 8, 2023)

Today's Session

This webinar will focus on three areas:

- How have the roles/qualifications evolved?
- What did a typical candidate look like 20 years ago vs. today?
- How do we build highly effective teams today?

Today's Speakers

Moderator:

Cezary Statuch

Head, Medical Affairs-
International & Japan
Alexion Pharmaceuticals

Panelists:

Matthew Britland

Medical Director
Amgen

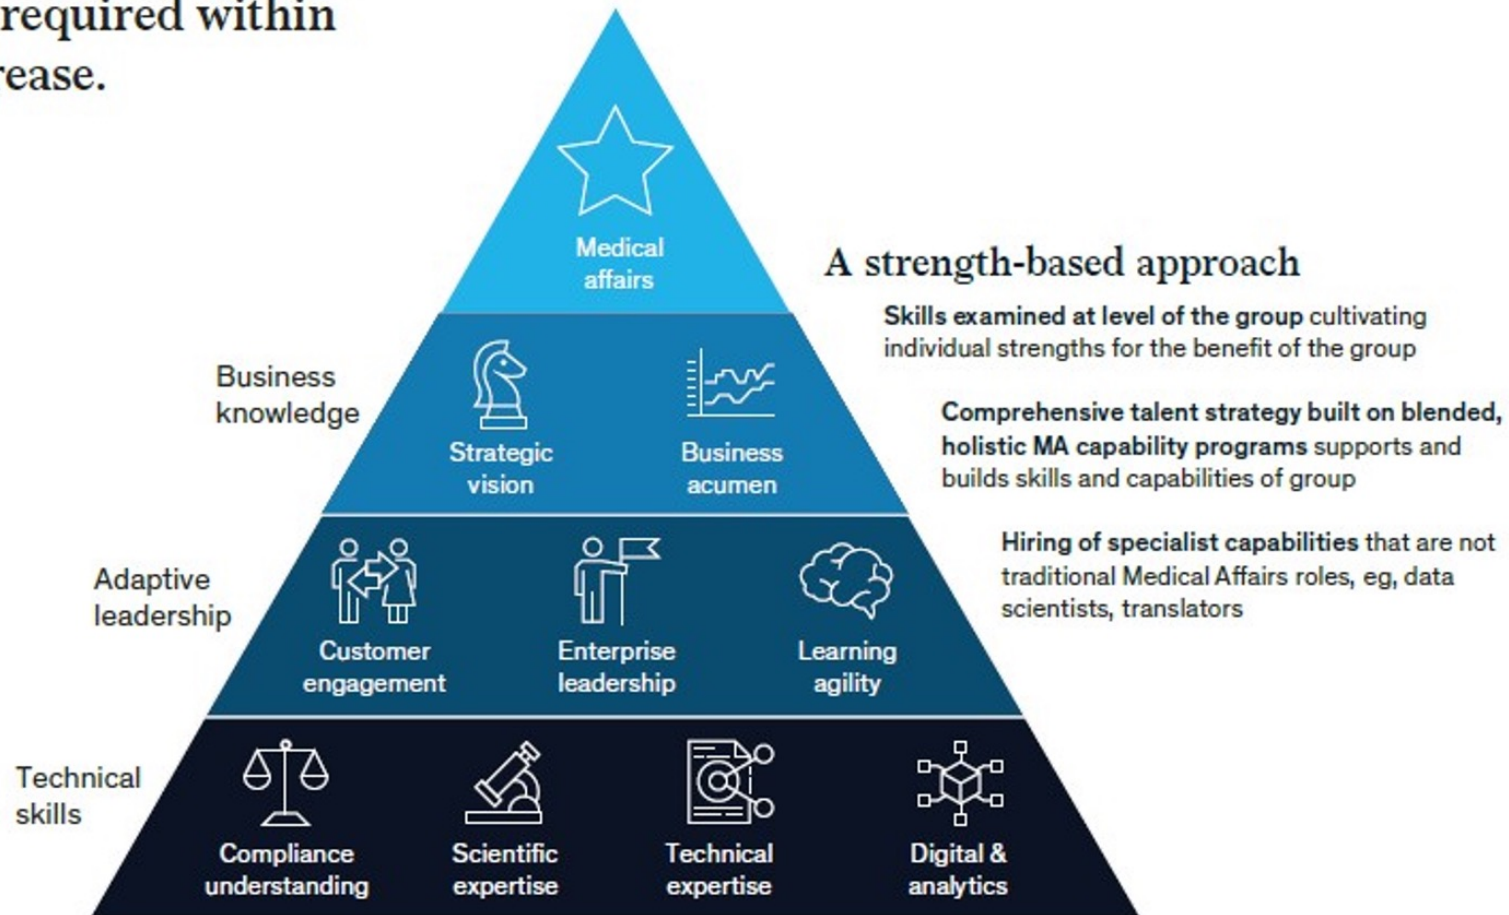

Hahn-Ey Lee
